TO  
THE MOST HIGH YHWH AND  
HIS ONLY BEGOTTEN SON YHWHSHI

And now I know this mystery, that sinners will alter and pervert the words of righteousness in many ways, and will speak wicked words, and lie, and practice great deceits, and write books concerning their words.

But when they write down truthfully all my words in their languages, and do not change or minish ought from my words but write them all down truthfully all that I first testified concerning them.

Then, I know another mystery, that books will be given to the righteous and the wise to become a cause of joy and uprightness and much wisdom.

And to them shall the books be given, and they shall believe in them, and then shall all the righteous who have learned thereof all the paths of uprightness be recompensed.

Enoch 104:10-13

“Buy the truth, and sell it not; also wisdom, and instruction, and understanding.”

# P R E F A C E

I write this book to show the identity of the descendants of Esau who is Edom. Esau who is Edom, while an unusual name, shows how Scripture describes him, “Thus dwelt Esau in mount Seir: Esau is Edom,” (Genesis 36:8). Esau, who is Edom are, the people who came from the east and rule the earth today. I expect this research to reveal the accurate accounts of history. A history that Esau who is Edom has hidden and distorted as it relates to the twin brothers Jacob and Esau, and the purpose for which the Most High YAHUAH created them, and the role they would fulfill on the earth today and in the Kingdom to come.

Esau-Edom has concealed the evidence about their identity by replacing the people of the nations they conquered with the likeness of themselves and then adopting the history as their own. Much of the information available was a challenge to find, because Esau-Edom has omitted or inserted historical events to match their narrative. For example, as it relates to the Biblical account of Amalek, and his interaction with Israel, the historians claim because the Egyptian and Assyrian monuments survived with records which list various tribes and peoples of the area, but no reference was made of Amalek or the Amalekites then they probably did not exist. Based on the findings of the archeologist and historian Hugo Winckler who suggested in 1895 that there were never any such people and therefore the Biblical stories about them are mythological with no historical bases. Because of reports like this it was necessary to read the entire Books of Scripture available in the context of Hebraic history to determine the truth. With patience and a commitment, I persisted in my inquiry to find proof of the identity of the descendants of Esau-Edom, and the places where they migrated and settled on the earth. Through this process I could put the puzzle pieces in their

correct position which made it possible to see the completed picture, using evidence from Hebrew Scriptures including the Rabbinic writings and secular history.

Esau-Edom mixed with all nations and today has rulership over the earth as the revise Roman Empire. They whited out many people of color in the nations they conquered and because they rule, they look like the dominant race. In fact, they are the minority. Esau-Edom then went about destroying and changing the artifacts and paintings to look like them. The statues we see today, with noses destroyed were all vandalized because the people depicted in them all had Negro features and did not resemble the white Edomites. The reader will learn the truth about Esau-Edom. They will also gain knowledge of the thorough job Esau-Edom has done hiding the facts about themselves while impersonating the descendants of Jacob-Israel. Esau-Edom deceived the entire world by making the inhabitants of the earth believe they are the original people who evolved from nothing. They call this theory of evolution the “Big Bang.” Yet, they believe they are the “holy” people, the chosen vessels of YAHUAH the Most High ELOHIYM of the Universe. Esau-Edom carried out this deception in part, to hide and then replace the chosen people of YAHUAH and to eliminate the Creator of the Universe.

The book will substantiate what is truth from a Biblical and historical perspective. It will also show and prove the identity of the descendants of Jacob also called Israel. Hebrew Scriptures identify these twin brothers Jacob and Esau and the prophecies feature them as important characters on the world stage, as we come to the close of this age. Without Esau, there is no Jacob. Both are vital to the prophesied events that have taken place, and prophecies that will come to past. Esau-Edom has tried to hide the identity of Jacob-Israel’s descendants. They know who the descendants of Israel are even though the Israelites do not recognize that they are the sons and

---

daughters of the Most High YAHUAH in the true sense. YAHUAH has removed Israel from their heritage and placed them in the hand of Esau-Edom to fulfill his purpose in them. I hope that YAHUAH reveals the truth about both brothers in this writing so we can identify with proof that Esau-Edom is the man of sin and Jacob-Israel are the true righteous people of YAHUAH.

My research will also show that all things are according to the will of the Most High YAHUAH, and without him nothing is complete. YAHUAH gave Esau-Edom the dominion over the earth for a time and allowed them to subjugate the children of Jacob-Israel for the period of their rule. As the rulership of Esau-Edom over Jacob-Israel comes to its conclusion, YAHUAH will reveal the identities of both. In fact, this book results from what YAHUAH is illuminating today as Jacob-Israel awakens to the truth about their identity, "For Esau is the end of the world, and Jacob is the beginning of it that followeth" (2 Esdras 6:9). YAHUAH chose Esau-Edom to operate in wickedness, as the Prophet Daniel reveals when he explained to King Nebuchadnezzar what the meaning the dream he had was about, "This matter is by decree of the watchers, and the demand by the word of the holy ones: to the intent that the living may know the Highest ruleth in the kingdom of men, and giveth it to whoever he will, and setteth up over it basest of men" (Daniel 3:17).

I have followed the chronological order of the history of Esau-Edom as found in Scripture. They made this difficult because the events were not sequential as it included many myths. I concluded that the history of Esau is a mystery wrapped in an enigma having no clear blueprint and therefore, I had to research and gather the evidence from all of its fragmented pieces. By the grace of the Most High YAHUAH I have tried to put the parts in its correct order so that a true picture emerges. In this writing I have also used

the set-apart names of YAHUAH and YAHUASHA to identify the Most High ELOHIYM and his Son. Some subjects, to a certain extent will appear as repeats because I would have dealt with the topics in other areas. The names used to identify Esau who is Edom differ according to the time discussed. In the writing I identify Esau as Esau-Edom, Edom-Rome, Idumea, the Edomites and Europeans. I show the identity of the descendants of Jacob as Jacob-Israel, the Hebrews, Judeans, Jews, the Israelites and the Hebrew Israelites. The support of this research came from many different sources, however, the foundation for this study is the TORAH and TANAKH, the Apocrypha, New Testament Writings, Epistles and extra-Biblical writings including those identified as Rabbinic literature. YAHUAH created Esau, who is Edom for his purpose and this writing will expose who they are and the lies they told to hide their identity.

I referenced many authors and some authors' accounts I read but did not use as references. However, their ideas informed my understanding and expanded my insight on the topic. This allowed me to write from various viewpoints. I also used the scholarly work of respected authors, but I was not afraid to disagree with them when I believed they knew the truth but pushed a false narrative. I used the information written by those of the modern Jewish thinkers because I realize many of them would have copied the original writings of the ancient writers then added their perspective or just plagiarized the information and took credit for the work. Because, in fact, the true writers are all dead and the children of Israel would not know as they are unaware of who and whose they are. Therefore, the information gathered from these sources helps me discern the truth from a Hebrew mindset and history.

YAHUAH led me to new information when it was necessary, and I give all praise and honor to him. I have to thank my brothers and sisters for the material I received from their YouTube videos based on research they shared

---

with all of us seeking the truth. The data they publicized was invaluable and confirmed by additional research on my part. I would also like to thank my daughter who helped me edit the narrative and my readers, who did a phenomenal job helping me organize the story to ensure that my writing was clear and made sense.

I hope that this study activates in the descendants of Israel a desire to know the truth about Esau-Edom, because it is imperative for them to identify the true enemy of Israel. The offspring of Israel must then do whatever is necessary to determine if what they read is the truth by proving all things. They must be willing to, “Study to show yourselves approved unto YAHUAH, a workman that needeth not be ashamed, rightly dividing the word of truth” (2 Timothy 2:15). I understand that the lack of knowledge of Israel’s identity has contributed to Israel being destroyed, and this destruction came at the hand of Esau-Edom.

Israel is the Chosen Nation of YAHUAH, scattered in the diaspora in Africa and to the four corners of the earth. YAHUAH our ELOHIYM has not forgotten Israel. In fact, he challenges anyone to measure heaven and search for the foundations of the earth and if they could find the answers to these then he would cast Israel away. “Thus, saith YAHUAH; ‘if they can measure heaven above, and the foundations of the earth searched out beneath, I will also cast off all the seed of Israel for all they have done,’ saith YAHUAH” (Jeremiah 31:37).

YAHUAH’S plan is to save Israel because it is his will to save them. He created Israel to fulfill his righteous purpose on the earth, just as he made Esau-Edom a vessel for dishonor and to be the wicked upon the earth. The Edomite Christians do not teach the truth about Jacob and Esau; because it does not fit the narrative of them being the superior people on the earth, they teach lies. However, YAHUAH made them a people fit for an ignoble purpose

which is the reason for this great deception.

As I release this book to my Hebrew Israelite brothers and sisters scattered to the four corners of the earth and to the strangers who will serve Israel, as it is YAHUAH'S will to choose them, I hope that as they read, it will inspire them to take part in further research. Scripture establishes truth by the mouth of two or three witnesses. I investigated and wrote to confirm in my mind and heart, that Esau who is Edom is the "white" Europeans ruling on the earth today, identifying as the diverse countries they occupy. They are the enemy of Jacob-Israel and have tried to confuse Israel by changing the history and recasting the people. YAHUAH is awakening Israel from 400 years of lies and deceit. In fact, Esau-Edom have used many institutions to keep Israel in this deception including the Christian church, Islam, Egyptology, the institutions of learning and by separating us by land borders, so we think we are different nations.

We must not allow them to win. We must overcome by the blood of the lamb and the word of our testimony as we seek the truth in YAHUSHA our elder brother and soon coming King. I hope that this writing acts as a catalyst to enlighten the Hebrew Israelites and spur them on to seek the truth and prove all things confirming every word of this study. Truth is singular and eternal and only found in the Most High YAHUAH, and it is not relative to anything else. I pray that the Most High be with you as you read and discern what he is saying to his Chosen people. And, I hope that the reader would use this information to further increase their knowledge as it relates to the identity of Esau who is Edom and Rome and the purpose for their existence in these "end" times. I say to the Most High YAHUAH be the glory for what he has done, for his mercy endures forever. Shalom!

# INTRODUCTION

When I understood that the descendants of slaves were the scattered tribes of the children of Israel, brought to the Americas via the Transatlantic Slave Trade, I thought about writing this book. Not only did I want to know the identity of Jacob-Israel, but I wanted to know for sure with evidence the identity of Esau-Edom and the role they played in the demise of Jacob-Israel. I believed then, as I know now, that the descendants of Jacob are the Negroes, brought to the Americas on Slave ships and scattered throughout the continent of Africa in the diaspora and the four corners of the earth. The people, who bought and sold the children of Israel to the Americas from Africa I now know, are the descendants of Esau. They are the rulers of the earth today. The Bible says Esau is the elder brother of Jacob, twin boys born to their parents Isaac and Rebekah. Isaac, their father gave blessings to both boys, and said the older would serve the younger. In scripture there are many prophecies relative to Esau and the role he plays in the “Last Days” so it is crucial to identify who the descendants of Esau are. The questions that need answering are; who is Esau-Edom or the Edomites, when, where and how did they originate in history, and what effect did they have on the chosen people of YAHUAH, the Hebrew Israelites? The Research sets out to answer these questions, because if the word of the Highest YAHUAH is true, and there are many prophecies against Esau, then it is vital for us to know the identity of Esau-Edom. I will try to answer these questions using the evidence found in the timeline of Scripture, coupled with historical data, and current events.

The Most High YAHUAH has declared that we consult his word because it stands above his name. In his word we find the truth about how important his word is. In Psalms 138:2 there is a prayer by King David reminding us of

this truth, “I will worship toward thy holy temple, and praise thy name for thy loving-kindness and for thy truth: for thou hast magnified thy word above all thy name.” Thus, YAHUAH’S word reveals truth, and should inspire us who want to know the truth to search for the evidence that will identify Esau-Edom, the people who interacted and attempted to destroy Jacob’s descendants. To confirm the truth, I will search Esau’s genealogy and explore how and when they migrated from place to place and the impact their movement had on the indigenous peoples. I will also use secular history and extra-Biblical text to support the Canonized Scripture to verify the facts.

The first statement made concerning Esau in the book of Genesis 25:25 identifies his complexion. It also establishes that his parents, in fact, named him for his color. “And the first came out red, all over like a hairy garment; and they called his name Esau.” This is a telling statement about Esau which shows that Esau looked different from his brother Jacob in his appearance, as Scripture did not describe the color of Jacob. It is also noteworthy that Jacob’s name means “plain” and perfect in all his ways. This difference in complexion plays an important role in identifying Esau and the actions he would take against his brother Jacob based on Jacob’s black skin color. Esau-Edom has described their skin color as white a color they believe makes them superior and Jacob’s skin color as black which makes them inferior. Continuing to deny that the white man living and ruling on the earth today is Esau-Edom after learning the facts would be disingenuous. It is Esau-Edom who decided in the 18th century to create a science to support the theory that their white skin color made them superior to all people on the earth and therefore, we cannot deny they are the people described in Scripture.

Before the twins Esau and Jacob were born, Rebekah their mother inquired of YAHUAH why she was experiencing such difficulty with the pregnancy, “And YAHUAH said unto her, Two nations are in thy womb, and

two manners of people shall be separated from thy bowels, and the one people shall be stronger than the other people, and the elder shall serve the younger” (Genesis 25:23). The prophecy is clear that there would be two Nations, two different people, not ordinary twins that may have been identical or fraternal, as we understand the terms. Scripture declares the intentions of YAHUAH for adopting the Nation of Jacob-Israel, the younger brother, “Who are Israelites to whom pertaineth the adoption, and the glory, and the covenants, and the giving of the law, and the service of YAHUAH, and the promises; whose are the fathers, and of whom as concerning the flesh YAHUSHA came, who is over all, YAH blessed forever. Amen” (Romans 9:4-5). YAHUAH created Esau for a different role than that of Jacob. He used Esau-Edom as a refiners fire to perfect the righteousness in the children of Jacob-Israel. However, Esau-Edom was brutal in implementing this punishment and went beyond what YAHUAH wanted or thought necessary. Therefore, YAHUAH promises he will have no mercy on Esau-Edom. And, the Prophet Malachi states what the final outcome would be as it relates to Esau-Edom, “The burden of the word of YAHUAH to Israel by Malachi. I have loved you, saith YAHUAH. Yet ye say wherein hast thou loved us? Was not Esau Jacob’s brother? Saith YAHUAH: yet I loved Jacob, and I hated Esau and laid his mountains and his heritage waste for the dragons of the wilderness” (Malachi 1:1-3). Esau-Edom will receive their just punishment in return for what they have done to Jacob-Israel, because what they sowed they shall reap.

The study will show the color of both Esau and Jacob along with other indicators recorded in scripture and in history that are paramount in determining the identity of Esau in these “last days.” Scriptures also identifies Esau-Edom with Babylon and the research will show that they indeed represent Babylon and its mystery religions. “Remember, O LORD, the children of Edom in the day of Jerusalem; who said, Rase it, rase it, even to

the foundation thereof. O daughter of Babylon, who art to be destroyed; happy shall he be that rewardeth thee as thou hast served us” (Psalms 137:7-8). The scriptures also show how Esau migrated, moving from Canaan to Mount Seir. And, it shows his grandson Zepho moving into Kittiyim which is Rome. Later in history Esau-Edom’s descendants moved into the lands of Israel in the Negev, south of Judaea. Through marriage Esau-Edom integrated with the Arabs, the Canaanites, the Assyrians, the Egyptians and the people of the land of Japheth including Javan known as the Greeks. Esau-Edom became the Europeans who conquered and colonized most lands of the earth. It is the will of YAHUAH that gives them dominion over the earth as part of the blessing Isaac gave to Esau his firstborn son. Isaac told Esau he would live in the earth's fatness with all of its riches and will dominate by the edge of the sword.

My investigation of Biblical and historical records has found that we can observe these blessings and the fact they are warmongers as evidence of the identity of Esau-Edom. Despite many of the descendants of Esau-Edom not believing in the Most High ELOHIYM with many being outright antagonistic toward him, they appear to be more blessed by him than any of the other nations on earth. They are the leaders who have enslaved and destroyed YAHUAH’S people, yet they appear to have it all. They have led Israel into several captivities, with the final enslavement lasting for almost four hundred years. The Targums of Onkelos, an Aramaic translation of the Torah, offers commentary on Genesis 15:12-14 confirming the prophecy concerning this fact. YAHUAH told Abram, “And he said to Abram, Knowing, thou must know that thy sons shall dwell in a land not their own because thou has not believed, and they will subjugate and afflict them four hundred years, and also that the people whom they shall serve I will judge with two hundred and fifty plagues and afterwards they shall go forth into

liberty with great riches.” YAHUSHA too, reminded the Judeans of the things that would happen to them as they lived the last of their days in Judaea before the Roman wars against them. Edom-Rome destroyed millions of the Israelites and sent millions more into slavery and exile. As my research will show that the people called Africans living on the continent of Africa are all Hebrew Israelites, exiled there by Edom-Rome. The children of these descendants in exile would go into captivity at the hand of Edom-Rome. Later in history many of the children of these exiled Israelites would be taken on slave ships to the Americas, “And they shall fall by the edge of the sword, and shall be led away captive into all nations: and Jerusalem shall be trodden down of the Gentiles, until the times of the Gentiles be fulfilled” (Luke 21:24). The time of Edom-Rome’s rule is nearing the end and the Gentiles spoken of are the people of Esau-Edom and their coconspirators who occupy the land of Palestine. Palestine, named by Rome for the Philistines, is the homeland of the true descendants of Israel whom Edom-Rome expelled almost two thousand years ago.

The historical evidence shows and concludes that Edom-Rome has been the instigators of all the wicked acts perpetrated against the inhabitants of Israel while they pretend to be a “holy” nation. All the same, this is the will of the Highest and Edom-Rome can do nothing except it be of the Father YAHUAH, as no one can resist his will. Edom-Rome has tried to revise and change the evidence to make it appear that either these events have already taken place, or they are being fulfilled by the imposter Jewish people living in the land of Palestine, today. But tricks and schemes will not cause YAHUAH to grant Edom-Rome salvation because the word and the will of YAHUAH cannot change as he is not a liar. Therefore, he asks, “Why do the heathen rage and the people imagine a vain thing? The kings of the earth set themselves, and the rulers take counsel together, against YAHUAH, and

against his anointed, saying, let us break their bands asunder, and cast away their cords from us. He that sitteth in the heavens shall laugh: YAHUAH shall have them in derision” (Psalms 2:1-4).

The word of YAHUAH will accomplish what it says. Esau is Edom, and Rome and the fake Jewish people, and all those associated with the Babylonian system shown in scripture and history. It is essential to understand the events that will take place in these “last days” as it reveals the identity of Esau who is Edom and Rome. The Scriptures show the identity of Esau-Edom and makes it possible to recognize who they are as it describes them, “But I have made Esau bare, I have uncovered his secret places, and he shall not be able to hide himself: his seed is spoiled, and his brethren, and his neighbors, and he is not” (Jeremiah 49:10). The evidence will show that Esau has tried to hide among the other nations as they have become a diverse people, even claiming to be the descendants of Jacob-Israel, while also destroying the people who descend from Jacob-Israel. The Prophet Daniel and the book of Revelation tells of the fourth kingdom to rule over the people of Israel. They identify them as the fourth beast and this research will prove that Esau-Edom is that fourth beast system ruling today just before YAHUSHA returns “Thus he said, The fourth beast shall be the fourth kingdom upon the earth, which shall be diverse from all kingdoms, and shall devour the whole earth, and shall tread it down, and break it in pieces” (Daniel 7:23).

This book’s outline follows the sequential biblical history of Esau, along with the authentic secular history that helps in substantiating the truth. I have informed the reader with evidence I corroborated with two or more witnesses. However, some information available conflicted with the Scriptural accounts thus it became necessary to delve deeper into the history. It was a painstaking process, but the completed picture emerged where the reader will

---

identify who the true descendant of Esau are in the earth today and who the true Hebrew Israelites are also, “Whereas Edom saith, We are impoverished, but we will return and build the desolate places; thus saith YAHUAH of hosts, They shall build, but I will throw down; and they shall call them, The border of wickedness, and, The people against whom YAHUAH hath indignation forever” (Malachi 1:4).

I established this study on the biblical texts; the Torah and the Prophets, the Apocrypha, the New Testament, and extra-Biblical texts Canonized and Deuterocanonical; including the Books of Jubilees, Jasher, and Enoch. I also used historical data found in; Josephus Antiquities of the Jews, Rabbinic literature, History of the Roman Republic, Chronicles of Jerahmeel, Greek and Roman Mythology, Targums of Onkelos, The Image of the Black in Jewish Culture, Germans and Edom, The Jews in Christian Europe, Jewish Identity in Early Rabbinic Writings, The Two Babylons: Or The Papal Worship Proved To Be The Worship of Nimrod, The Thirteenth Tribe, The Black Jews of Africa, The Letter of Jacob, Hebrewisms of West Africa, Until Darwin Science, Human Variety and the Origins of Race, Bells New Pantheon, Black and White People, History of Arabs in the Sudan, Yawan-the Works of Sir Thomas Browne, Mecca-The Works of Sir Walter Raleigh, Servius, Commentary on Vergil, The Story of Christianity, The Rise of Christianity, Ancient and Modern Britons, Nature Knows No Color Line, The Black Image in the White Mind, Feats and Wisdom of the Ancients, The Icon, World Religions: A Historical Approach, New Unger's Bible Dictionary, A Comprehensive Etymological Dictionary of the Hebrew Language, From Babylon to Timbuktu, Lost Tribes and Promised Land, The History of the First Council of Nice, Germany's Black Holocaust, Whence the Black Irish of Jamaica, World Religions: A Historical approach, The Flat Earth Conspiracy, Layman's Bible Encyclopedia, The Great Philosophers,

Saint Ignatius of Antioch: the Epistles, and many historical articles, found on the Worldwide Web and evidence from Archeological finds and ancient and modern maps and paintings.

The investigation traces the history of Esau and his descendants, the Edomites. It also follows the relationship to Jacob-Israel to Esau-Edom, who for the past two thousand years of Esau's dominion on the earth has experienced the brunt of Edom-Rome's cruelty and destruction. It will show how Edom-Rome and Christianity impacted Israel's dispersion and the effect Israel's religion had on Edom-Rome's Christianity. It will clarify in the minds of those who are doubtful of the identity of Esau who is Edom, while it will also identify the true Hebrew Israelites of Scripture. Esau-Edom, the elder brother of Jacob-Israel will serve Israel in the kingdom to come. They were each created to have dominion, Esau to live in the fatness of the earth and Jacob to possess the earth for eternity. YAHUAH created each for his purpose. In fact, everyone born on this earth is subject to YAHUAH because he has a purpose for the creation he made, and no created individual can choose his position. He made Jacob for honor and Esau for dishonor and describes Jacob as the apple of his eye, "When the Highest divided to the nations their inheritance when he separated the sons of Adam, and he set the bounds of the people according to the number of the children of Israel. For YAHUAH'S portion is his people; Jacob is the lot of his inheritance. He found him in a desert land, and in the waste howling wilderness; he led him about, he instructed him, he kept him as the apple of his eye" (Deuteronomy 32: 8-10).

# CHAPTER 1

## *Identifying Esau*

**E**SAU WAS THE ELDEST OF TWIN BOYS born to Isaac and Rebekah. Isaac, Esau's father, was the son of Abraham, to whom the Most High, YAHUAH, blessed with the Promise. "And when Abram was ninety years old and nine, YAHUAH appeared to Abram and said unto him, I am Almighty God EL SHADDAI; walk before me and be thou perfect" (Genesis 17:1). YAHUAH made a covenant with Abram to be the father of many nations and then changed his name from Abram to Abraham to reflect his promise. Through this covenant with Abraham, YAHUAH promised to multiply Abraham's seed. "As for me, behold, my covenant is with you, and you shall be a father of many nations. Neither shall thy name any more be called Abram, but thy name shall be

Abraham; for a father of many nations have I made thee,” (Genesis 17:4-5). Esau, therefore, was born into an upright family—one chosen to bring forth righteousness throughout the earth.

Despite, the promise being made that he would be the father of many nations, the promised blessing of possession of the earth would pass through only one of Abraham’s offspring. “And God said, Sarah thy wife shall bear thee a son indeed, and thou shalt call his name Isaac: and I will establish my covenant with him for an everlasting covenant and with his seed after him” (Genesis 17:19). Isaac had twin boys and although Esau was Isaac’s eldest son, YAHUAH gave the promise of righteousness and inheritance to Jacob, Isaac’s younger son.

“And YAHUAH said unto her, (Rebekah) two nations are in thy womb, and I shall separate two manners of people from thy bowels; the one people shall be stronger than the other people; and the elder shall serve the younger,” (Genesis 25:23). According to Rabbinic writings, the two nations would each become its own universe.<sup>1</sup> Jacob would represent the Torah, and Esau would embody sin.

Throughout Rebekah’s pregnancy, the two babies struggled within her until the day they were born. “And the first came out red, all over like a hairy garment; and they called his name Esau” (Genesis 25: 25). The Hebrew word used to describe Esau’s color, *ādōm*, and means ‘red’. This word, *ādōm*, refers to blood, such as a garment sprinkled with blood. It also uses this Hebrew word to describe the red heifer or cow, a stew made of lentils, and the complexion of Esau. The color of Esau is significant as he was ‘red’ and ‘covered with hair’. This is important in assigning a label to him as a hunter. As a hunter, Esau liked to draw blood. Esau’s taste in food was also revealed

when he coveted and sold his birthright for a bowl of red pottage that Jacob had prepared. “Then Jacob gave Esau bread and pottage of lentils; and he ate and drank, and rose, and went his way: thus Esau despised his birthright” (Genesis 25:34). It was during this interaction with Jacob that Esau’s name changed to Edom, “And Esau said to Jacob, Feed me, I pray thee, with that same red pottage; for I am faint: therefore was his name called Edom” (Genesis 25:30). ‘Edom’ means “the Red” (ādōm) because he (Esau) had red hair, red skin, and was bloodthirsty.

In the Rabbinic writings they often note the name equivalence of ‘Esau’ and ‘Edom’ throughout the Torah. “Now these are the generations of Esau, who is Edom” (Genesis 36:1). “Duke Magdiel, Duke Iram: these be the dukes of Edom, according to their habitations in the land of their possession: he is Esau the father of the Edomites” (Genesis 36:43). Likewise, it is also important to understand the distinction between the Hebrew names of ‘Esau’ and ‘Adam’. In Hebrew, ‘Adam’, the first man created by YAHUAH means “(hu) man.” It is a proper noun that does not appear elsewhere outside of Genesis chapters 1-5. YAHUAH formed Adam (Heb. ‘adam) from the “earth” (Heb. ‘adamah), set him over the Garden, and allowed him to name the animals (Harper’s Bible Dictionary). Therefore, the names Adam and Esau derive from different Hebrew words with dissimilar meanings.

During Rebekah’s labor and the birth of the twins, Jacob was born after Esau. As he was being born, Jacob took hold of Esau’s heel. The allusion to the ‘heel’ according to Rabbinic writings, is not accidental and, in fact, relates to Jacob supplanting Esau. By emphasizing the ‘heel’, we can explain the name of Esau’s younger brother, Jacob - (‘âqer) which means ‘heel’ and ‘Yaakov’ which means “it talonnera” complete and in tack. Yaakov then became the

first name of Israel because its function was to carry the message of YAHUAH and to attack the snake. By looking at the original meanings of both Esau and Jacob's names, we can understand the original roles of both of Isaac's sons. "And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel" (Genesis 3:15).

The Zohar also compares Esau with the Serpent in Genesis.<sup>2</sup> This writing explains that, from birth, the hand of Jacob held Esau's heel. It further proves the direction that Jacob would continue with his brother; their rivalry throughout the ages, and that Jacob would crush Esau. Because of this understanding, Rabbi Shimon bar Yochai concludes that Esau's character is one which is such that it is useless to want to behave with those who misbehave therefore Jacob will destroy Esau.<sup>3</sup> As 2 Samuel 22:27 states, "With the pure you show yourself pure, and with the crooked you show yourself perverse." He furthers, that this adversarial relationship between Esau and Jacob compares as a parallel to the brothers Cain and Abel, who, when YAHUAH accepted Abel's offering yet rejected Cain's offering, Cain became angry and rose against Abel, his brother, and slew him (Genesis 4:8). YAHUAH rejected both Cain and Esau; hence they both took their anger out on the brother that YAHUAH accepted.

According to Alain de Benoist, the relationship between Esau and Jacob refers to the dialectic of the brothers in the Biblical tradition.<sup>4</sup> Following the Hebrew tradition, Benoist explains that the oldest would be first biologically; however, the second would be first spiritually. Benoist's underlying theory is that real hierarchies are unlike hierarchies in the natural sense. Esau dominates the worldly realm and the side of the world reliant on

the power of men, whereas Jacob represents the spiritual realm which includes the power of YAHUAH. Benoist concludes that because the hierarchies are not alike, YAHUAH must break the natural order to give way to its opposite, which is spiritual. Therefore, the natural hierarchy will be reversed because it is the will of the Most High YAHUAH, "And he answered me, saying, the Highest YAHUAH hath made this world for many, but the world to come for a few" (2 Esdras 8:1). YAHUAH made the world of Esau for many people; he will create however the world to come, which is of Jacob, for only few people - those of the righteous of Israel and those chosen by YAHUAH to join Israel as handmaids and servants.

YAHUAH presents Esau in a negative light while He elects Jacob. The natural superiority attached to receiving the birthright is reversed. YAHUAH will bless Jacob in all things, people will serve him, and those who bless him YAHUAH will bless, while those who curse him will have a curse conferred on them. The blessing that Esau received was that his house would be the fertility of the earth and the dew of heaven above, and by his sword he would live, and after he has dominated, he will serve Jacob. Benoist explains, "Esau may well conquer the world, but in doing so, he will unwittingly work for Jacob." The elder will serve the younger.

By Hebraic tradition, the history of Jacob and Esau has always revealed the past and predicted the future.<sup>5</sup> The lesson in this historic tradition is that time, itself, can never destroy the Esau-Jacob relationship and that Jacob will triumph overall. "I have loved you, saith YAHUAH. Ye say wherein hast thou loved us? Was not Esau Jacob's brother? Saith YAHUAH: yet I loved Jacob, and hated Esau, and laid his mountains and his heritage waste for the dragons of the wilderness" (Malachi 1:2-3). The hatred that the Highest has

for Esau according to Mireille Hadas-Lebel is not only a hatred of his vice to virtue but also his hatred of idolatry for monotheism.<sup>6</sup> He hates everything about Esau, even when he appears to be virtuous.

YAHUAH established the plan and purpose of the brothers, Esau and Jacob; before they were born. After the flood, YAHUAH chose Abraham and declared that he would make him a great nation and through him all the nations would receive blessings. However, the ultimate blessing would only come through one seed. "For Ishmael and his sons and his brothers and Esau, YAHUAH did not cause to approach him, and he chose them not because they are the children of Abraham, because he knew them, but he chose Israel to be his people. And he sanctified it and gathered it from amongst all children of men; for there are many nations and many peoples, and all are his, and over all has he placed ruachoth in authority to lead them astray from him," (Jubilees 15:30-31). YAHUAH chose the bloodline of Jacob-Israel to carry his seed. Therefore, the twelve sons of Jacob became the children of the Promise.

In the book, "Legends of the Jews" the author provides an account of a dialog between Rebekah and Shem. Shem was Noah's eldest son and the progenitor of the Semitic people. In this conversation, while Rebekah was pregnant, she tells him about what she was experiencing during her pregnancy before Esau and Jacob were born.<sup>7</sup> In this confidential conversation, Shem reveals to Rebekah the destiny of the twins she was carrying.

And Shem replied:

My daughter, I confide a secret to thee. See that no one finds it out.  
 "Two nations are in thy womb and how should thy body contain them,  
 seeing that the entire world will not be large enough for them to exist

in it together peaceably? Two nations they are, each owning a world of its own, the one the Torah, the other sin. From the one will spring Solomon, the builder of the Temple, from the other Vespasian, the destroyer thereof. YAHUAH needs these two to raise the number of nations to seventy. They will never be in the same estate. Esau will vaunt lords, while Jacob will bring forth prophets, and if Esau has princes, Jacob will have kings... They Israel and Rome are the two nations destined to be hated by the entire world. One will exceed the other in strength. First Esau will subjugate the entire world but, in the end, Jacob will rule overall. The older of the two will serve the younger; provided this one is pure of heart otherwise the older will enslave the younger.

### **IDENTIFYING ESAU BY HIS DESCRIPTION**

As mentioned earlier, Esau was 'red' and 'covered with hair'. But, why was Esau's color described and not Jacob's? History shows that all people had a significant amount of melanin in their skin in the beginning, which means they had dark skin. Adam, formed from the dust of the ground, resembled the dirt that YAHUAH had made him from. Therefore, Adam was the progenitor of all people of color, including Noah and his sons. Esau differed in two marks that identified him. Scripture described him at birth as 'red' and 'hairy'.

Esau was born in Canaan, a boiling tropical climate with an average temperature of 26.4°C. He had no melanin, a built-in, natural form of sun protectant. Instead, hair covered his body which served as his protection from the sun. Today, to be born without melanin is albinism or, when one loses

the melanin, vitalago. However, in Biblical texts, being melanin deficient was a curse called leprosy, as Moses experienced when YAHUAH told him to place his hand in his bosom and it turned white, and Miriam his sister experienced it when she spoke out against Moses. “And the cloud left from off the tabernacle; and, behold, Miriam became leprous, white as snow: and Aaron looked upon Miriam, and, behold, she was leprous” (Numbers 12:10).

Scripture pronounces Jacob as a ‘plain man,’ “And after that came to his brother out, and his hand took hold on Esau’s heel, and they called his name Jacob,” (Genesis 25:26). The Hebrew word for plain, (itam: complete Original Word: יָמֵן) means ‘complete, perfect; in beauty; of physical strength.’ Jacob lacked nothing; he was perfect in all areas including his skin color.

The descriptions of Rebekah’s newborn twins show the contrasting identities of two nations destined to rule from birth. King Solomon, who descended from Jacob, validates Jacob’s appearance when he describes himself in Scripture.<sup>8</sup> He says, “I am black, but comely, O ye daughters of Jerusalem as the tents of Kedar, as the curtains of Solomon” (Song of Solomon 1:5).

The Polemic Writings also confirm a dispute contrasting the physical characteristics of the Jews (Israelites) when comparing them to the Edomites who are descendants of Esau.<sup>9</sup> What is instructive is that the Jew (Israelite) does not deny the claim that they are black. The Jew (Israelite) accepts his skin color as an indisputable fact (Melamed, 2003). Sefer of Yosef ha-Mekaneh, written by Joseph bar Nathan, contains the dispute between the apostate Jew and the author’s father, R. Nathan.<sup>1011</sup> It states,

I made you contemptible and base before all the people (Mal. 2:9) said a certain apostate to Rabbi Nathan: You are uglier than any people on earth, and our people are very handsome. He (Rabbi) replied: those

big plums that grow along the Seine, what blossom do they have? He said to him white. And what color is the apple blossom? He said: Red. He answered: that is what we are from a pure white seed, and our faces are dark, while you are Edomites, a red race, conceived from menstruation women so that you are yellow and red. Why so? Because we are in exile, as described in Song of Songs 1:6 'Look not upon me because I am black because the sun hath looked upon me: my mother's children were angry with me they made me the keeper of the vineyards, but my own vineyard I have not kept.' But when I kept my own vineyard, I was most beautiful, as it is written: "And thy renown went forth among the heathen for thy beauty: for it was perfect through my comeliness, which I had put upon thee, saith YAHUAH ELOHIYM" (Ezekiel 16:14).

The description of Esau and Jacob's color at birth and the dispute by Nathan the Jew help to confirm the identity of the descendants of both Jacob and Esau today.<sup>12</sup> The explanation also proves that there was a difference in the color of the skin of the Israelites and Edomites. R. Nathan concurs that the Jews may be outwardly dark, but their internal state is pure, unlike the Christian Edomite who may appear white on the outside but inside they are dark. Israel is prophesied to be among all nations but they would still be identifiable and YAHUAH will gather them from among the Gentiles when he returns, "At that time will I bring you again, even in the time that I gather you: for I will make you a name and a praise among all people of the earth, when I turn back your captivity before your eyes, saith YAHUAH," (Zephaniah 3:20). The imposter Jews who say they are Jews and are not have already taken the land away from the Palestinians claiming that they the white

Edomite Jews are the rightful heirs. But the Scripture has stated repeatedly that YAHUAH will gather his people when he returns and take them into the Land of Promise where they will no longer have to fight any wars.

But, there is prophecy that shows the descendants of Esau-Edom would fight many wars as they will be a people that the nations will hate. The indigenous people of many nations hated the descendants of Esau, because of how they would come into their homelands with deceit and conquer the lands, destroy many of the people then force those remaining to accept the Edomites' religions. History records that Esau-Edom is the ultimate bully on earth, a characteristic of the blessing Isaac gave to Esau's sons before he died, "And Yitschaq also blessed the sons of Esau, saying, May ELOHIYM cause you to be a dread and terror to all that will behold you, and to all your enemies" (Jasher 47:6). The descendants of Esau-Edom have perfected and fulfilled this role as recent history reveals. In fact, the Edomite Jewish converts have taken their bullying to another level as they also have policed even the speech of citizens of all nations as it relates to speaking against them as the true people of YAHUAH. They have formed organizations to censure what people may say about the Jewish, people in Palestine or anywhere else. They decide whatever is said regarding them and may label it hate speech or anti-Semitic. The Jewish Edomites have taken the word Semite and owned as if it belongs to only one people, but being Semitic only means that the people descend from Shem, the eldest son of Noah. And, there are many progenies who can claim Semitic ancestry. In fact, the true Hebrew Israelites never identified as Semitic but as the children of Jacob-Israel or Israelites, Judeans or Hebrews.

Esau-Edom joined with many nations through marriage and conquest and has whited-out many of the indigenous people. They used a theory called

whitening, where the white man would have children with the original people. After the third generation the children will show no sign of blackness, whereby the black skin color would be bred out. Many of these whited-out indigenous people became the replacement leaders of the nations that Esau-Edom conquered. In fact, they determined that their white skin color would be the mark of superiority, improving the indigenous people of these nations. These leaders and people would then place a higher value on people with white skin and lesser worth on those of a darker hue.

In, Hebrew culture having white skin was a curse, or a disease called leprosy. Howbeit, in this modern-day Edom-Rome has changed leprosy to mean a chronic infectious disease which leads to less sensation in limbs with eventual paralysis. They believe and are unyielding in the idea their white color makes them superior and the Israelites' black skin color makes them inferior, even creating a theory in science to confirm their narrative. To reinforce this negative stereotype of black skin in the descendants of Jacob, Edom-Rome label them Negroes a negative by-word meaning black in Spanish. Negro was later turned into the by-word "nigger" used by Edom-Rome to describe the chosen people of YAHUAH. This distinctive word would serve as a marker that would identify Jacob and define the difference between the brothers Esau and Jacob. In fact, this illustrates the power of YAHUAH to cause all things to work together for the good of Israel, and that no one can resist his will, not even Esau. YAHUAH made certain not to leave the identity of his people to chance, although they would become dispersed among all nations.

This research reveals it was possible to identify the descendants of Jacob by the color of their skin in the 12th, 13th, 14th all the way to the 19th

century based on historic accounts written by Edomites. Jacob and Esau have been on the earth for the same number of generations, and it is impossible for Esau-Edom's skin color to identify them and not Jacob-Israel by the same identifying mark. The descendants of Esau and Jacob are still a people, two different nations, and two manners of people. And, it is not a valid argument to make that because YAHUAH removed Israel from their heritage and they have forgotten who they are they no longer exist. Today, Esau is still "white" and his descendants identify as Europeans scattered throughout the earth. Jacob-Israel is still the "black" Negro people scattered throughout the earth via various dispersions. However, Esau has mixed with every nation and the evidence shows in the skin color of the people living throughout the earth. In fact, they also tried to white-out Israel, but it is not the will of the Most High YAHUAH that Esau-Edom would be able to white out Jacob-Israel. Therefore, YAHUAH had Edom-Rome scatter the Israelites onto the African Continent where most Israelites live today. Edom-Rome has replaced the descendants of Japheth and mixed with the sons of Ham and the Arabs. And, they have whited out the black skin color of many of the people of these nations so it appears the original people no longer exist. But, they do and are just not prominently displayed in places of authority or sparsely shown as a token, because this is Edom-Rome's white world.

YAHUAH made the choice and determined the physical characteristics of his people. Israel would be a people of dark skin color and he compared them to the children described as 'the blacks.' "Are ye not as children of the Ethiopians unto me, O children of Israel? Saith the Highest YAHUAH. Have not I brought up Israel out of the land of Egypt? And the Philistines from Caphtor, and the Syrians from Kir?... For, lo, I will command, and I will sift

the house of Israel among all nations, like corn is sifted in a sieve, yet shall not the least grain fall upon the earth” (Amos 9:7, 9). Scripture states that although Israel will be among all people YAHUAH could still identify them by the color of their skin. We should also note that the children of Ethiopia were, and still are, black people. The Unger’s Bible dictionary defines Ethiopia, as lying south of Egypt, corresponding to Sudan, which is the country of the blacks. The Hebrews call it by the name ‘Kush’ and the Online Bible Dictionary further defines ‘Ethiopia’ as ‘having burned faces’, ‘the country of Soudan land of the blacks’, ‘its inhabitants were the descendants of Ham.’ It represents them on Egyptian monuments, and they are all the true Negro.’

In an account of the Edomites’ description by Jules Michelet, he confirms the truth about Esau’s skin color given by the Athenians when they first met the Romans who were Edomites.<sup>13</sup> They recalled that these Edomites had a fierce face, with red hair, their eyes were said to be green with a red complexion spotted with white, and they found the Romans looks to be amusing, as their physical characteristics were strange because their red complexion was uncommon to them.

## IDENTIFYING ESAU IN CHILDHOOD

As a young boy, Esau preferred being outdoors and enjoyed wandering through the fields. He was a skilled bow hunter; he mastered the art of war, and his actions were fierce. Jacob established himself as a scholar who preferred to stay close to home while reading books and learning to write. “And the boys grew up to their fifteenth year, and they came amongst the society of men. Esau described as a designing and deceitful man, and an expert hunter in the field and Jacob was a man perfect and wise, dwelling in tents,

feeding flocks and learning the instructions of YAHUAH and the commands of his father and mother" (Jasher 26:17).

Today, the descendants of Esau display a similar characteristic of individualism like their ancestor, Esau. Esau was one who disdained tradition and authority. He gloried in his ability to become a self-made man while expecting others to do the same. Esau believed in building his future by his own toil and effort while subjugating others through calculating schemes and deceiving promises. The Rabbinic writings affirm these characteristics in Esau, "He Esau was a hypocrite" (Shocher Tov 14, 3). They compare the hypocrisy of Esau-Edom to the pig or boar being acceptable in appearance as it has the hoof cloven and split, but impure because it does not chew the cud. It is this hypocrisy that the teachings of the Torah attribute to Edom-Rome, and in fact, the Rabbinic writings confirm that it is Esau who would hunt Jacob down and deceive him with dishonest words (Genesis Rabbah 63, 10).

Because Abraham was very much aware of Esau's personality, he insisted on Rebekah ensuring that her first-born son Esau not receive the blessing that YAHUAH promised. "And Abraham saw the deeds of Esau and knew in Jacob should his name and seed be called; he called Rebekah and gave commandment regarding Jacob, for he knew she too loved Jacob much more than Esau. And he said unto her: my daughter, watch over my son Jacob, for he shall be in my stead on the earth, and for a blessing amid the children of men, and for the glory of the whole seed of Shem. For I know that YAHUAH will choose him to be a people for a possession unto himself, above all peoples that are upon the face of the earth," (Jubilees 19: 16-18).

Abraham loved Jacob very much. In fact, he expressed to Rebekah that his love for Jacob was even greater than his love for his own sons. He

encouraged Rebekah to give favor to Jacob as he was the son that would receive blessings for generations to come. “He shall be blessed forever, and his seed shall fill the whole earth” (Jubilees 19:21). Abraham was insistent in his support for Jacob because he already knew Isaac loved Esau more. Abraham feared that Isaac would bless Esau instead of Jacob. Therefore, Abraham gave Rebekah this very important charge to ensure that Esau would not receive the blessing as his heir, although those who interpret the story outside of Hebrew context assert that Jacob received the blessing instead of Esau because he deceived his father. But Biblical evidence is clear that YAHUAH chose Jacob to be his heir before the beginning, and he chose Jacob for the purpose of receiving the promises. “For thou art, a holy people unto YAHUAH thy ELOHIYM: YAHUAH thy ELOHIYM hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth” (Deuteronomy 7:6).

Scripture further exposed Esau’s motive and personality when he sold his birthright to Jacob for a bowl of red pottage. Because Esau wanted instant gratification, he never thought about his actions, its consequences, and, he did not think about the effect of his actions on the future. The Rabbinic writings explain, “Esau showed to others that (in his opinion) established Birthright order is not morally correct. They should honor rather those who are more talented above others.” The writer noted that many of the great leaders of the nations of the world followed Esau’s opinion and disparaged the status of birth, rather they believed everything should depend on the natural abilities of each individual (Netziv, Haamek Davar to Gen 23, 34). As a result, Esau has exported his ideas to nations today where they elect leaders based on their ability to charm voters and make promises they do not keep. In the

Western world, and all those influenced by Esau's democratic system they believe that anyone can become a leader of a nation through this process regardless of pedigree.

### ESAU REPLACES NIMROD

The significance of Esau replacing Nimrod is outlined in Scripture and tells the story of how Esau, while out in the field one day on a hunting expedition, came upon Nimrod, the king of Babylon and his men. Before this encounter, the people knew of Nimrod's jealousy of Esau because he believed that Esau, the grandson of Abraham, would one day replace him as the ruler of the earth, since Esau too was a very skillful hunter. The Scriptures described Nimrod, "He was a mighty hunter before YAHUAH: wherefore it is said, even as Nimrod the mighty hunter before YAHUAH" (Genesis 10:9). YAHUAH had showed the sign that Abraham's descendant would replace Nimrod in the earth. Thus, upon Esau meeting Nimrod in the field alone where his men had left him resting, Esau saw an opportunity to eliminate his rival and did not hesitate to attack. Esau ambushed Nimrod and killed him. Nimrod cried out for help to his men, but they were too far away and by the time they arrived, Esau had already murdered Nimrod and stolen the special garments he wore (Jasher 27:1-12).

According to the book of Jasher, we can trace these stolen garments back to Adam and Eve who had passed them to Enoch who had given them to Noah. Ham had then stolen them from his father, Noah, and given them to his first-born son, Cush. Later, Cush gave these special garments to his son, Nimrod. "And Nimrod became strong when he put on the garments, and ELOHIYM gave him might and strength, and he was a mighty hunter in the

earth, yea, he was a mighty hunter in the field, and he hunted the animals and he built altars, and he offered upon them animals before YAHUAH” (Jasher 7:30).

The Scriptures prophesied that Abraham and his seed would replace Nimrod as the power on the earth. They also record that Nimrod died by the sword of Esau in a manner filled with shame and contempt. The seed of Abraham caused Nimrod’s death just as Nimrod had seen in his dream, and which confirmed the omen that his wise men saw on the night of Abraham’s birth “And they said to each other, this only betokens the child that has been born to Terah tonight, who will grow up and be fruitful, and multiply, and possess all the earth, he and his children forever, and he and his seed will slay great kings, and inherit their lands” (Jasher 8:4).

In fact, it is said it was upon returning home from the altercation with Nimrod, Esau, exhausted and famished, sold his birthright for a bowl of red soup. He first secured the garments he had stolen from Nimrod and then looked to eat something out of fear of dying. He approached his brother, Jacob, who had just finished cooking a pot of lentil pottage “And he said unto his brother Jacob, Behold I shall die this day, and wherefore then do I want the birthright? And Jacob acted wisely with Esau in this matter, and Esau sold his birthright to Jacob, for it was so brought about by YAHUAH” (Jasher 27:12). Thus, they say Esau abhorred his birthright.

### **IDENTIFYING ESAU WITH BLESSINGS HE RECEIVED**

After trading his birthright to his younger brother Jacob, Esau expected that he would still receive the blessing designated to him as Isaac’s firstborn son, even though he hated his birthright and claimed the pottage was more

important because he was near death. So, when Isaac's eyes became dim, and he thought he would die soon he called Esau. He asked Esau to prepare a savory stew from the meat he hunted and then he would bless him as the first-born son. Rebekah overheard the conversation between Isaac and Esau and because she knew the promise of the blessing and heritage was not for Esau, but Jacob she set a plan in motion to ensure Jacob would receive the blessing instead.

Once Esau left to capture the deer from the field, Rebekah started her strategy that would stop Isaac from doing what he intended to do. She told Jacob to catch and kill two kid goats so she could prepare a savory stew for Isaac, "Go now to the flock and fetch me from thence two good kids of the goats; and I will make savory meat for thy father, such as he loveth: and thou shall bring it to thy father, that he may eat, and that he may bless thee before his death" (Genesis 27: 9-10). Jacob afraid to follow Rebekah's instructions hesitated because he thought Isaac would recognize him. It worried him that his father would curse him for deceiving him. He also knew Esau was hairy and that his own skin was smooth. Yet, Rebekah assured Jacob that whatever happened, she would take responsibility for it all.

Jacob's protest did not deter Rebekah, and she continued with her plan. She prepared goat's hair skins to cover Jacob's hands and neck and sent him to put on some of Esau's clothing so he could smell like Esau. Then, Rebekah insisted that Jacob take the stew she had prepared for Isaac. Jacob obeyed, and the blessing intended for the first-born, Isaac gave to Jacob instead of Esau. "And Isaac, his father, said unto him: 'Come near and kiss me, my son. And he came near and kissed him. And he smelled the smell of his raiment, and he blessed him and said: 'Behold the smell of my son is as the smell of a full

field which YAHUAH give you of the dew of heaven and the dew of earth, and plenty of corn and oil: Let nations serve you, and peoples bow down to you. Be lord over your brethren and let your mother's sons bow down to you; And may all the blessings wherewith YAHUAH has blessed me and blessed Abraham my father; be imparted to you and to your seed forever: Cursed be he that curses you and blessed be he that blesses you” (Jubilees 26: 21-24).

As soon as Jacob left his father's presence, Esau entered with the savory meat he had prepared but Isaac had already blessed Jacob, the younger brother. When Esau realized that Jacob had received the blessing he expected to receive, he cried out, weeping and begging his father to give him a blessing. “Hast thou but one blessing, my father? Bless me, even me also, O my father and Esau lifted his voice and wept” (Genesis 27: 38). Isaac tried to console Esau, but he could not comfort him. He then gave Esau another blessing and told him how he would live from that day forward. “Behold, far from the dew of the earth shall be your dwelling and far from the dew of heaven from above. And by your sword, you will live, and you will serve your brother. And it shall happen when you become great, and shake his yoke from off your neck, you shall sin a complete sin unto death, and YAHUAH shall root your seed out from under heaven” (Jubilees 26:33). The book of Esdras later confirms how YAHUAH would destroy Esau and his descendants from the earth. Esdras speaks to a woman whose only son had died as he found her weeping inconsolably. She had been weeping for her only son, but in fact she represented how the earth would weep for an entire nation of people brought forth by the earth and prophesied for destruction forever “For out of her came all at the first, and out of her shall all others come, and, behold, they walk

almost all into destruction, and a multitude of them is utterly rooted out” (2 Esdras 10:10).

Because he did not receive the blessing, Esau held a deep-rooted, perpetual hatred for his brother, Jacob and since then, he has tried to destroy, Jacob and his descendants throughout history. The hatred that Esau has for Jacob, led the Prophet Ezekiel to prophesy a stern warning against Esau and his descendants. He explains how and why Esau would meet his end. “Because thou hast had a perpetual hatred, and hast shed the blood of the children of Israel by the force of the sword in the time of their calamity, in the time that their iniquity had an end: Therefore, as I live, saith YAHUAH ELOHIYM, I will prepare thee unto blood, and blood shall pursue thee: since thou hast not hated blood, even blood shall pursue thee” (Ezekiel 35: 5-6).

### **IDENTIFYING ESAU AND JACOB THROUGH THE PROMISES**

Jacob and Esau were both given promises by their father Isaac. Jacob would rule in the beginning and Isaac promised Esau that once Jacob’s foot came off his neck, he would begin his rule on the earth. History shows that Israel lost its power because of disobedience to the laws, statutes and commandments. They broke the Covenant that YAHUAH established with them on Mount Sinai. And, because of their disobedience, the Most High YAHUAH used Esau to cast the children of Israel out of the land and scattered them to the four corners of the earth. The complete removal of the great nation of Israel from the Judean territory in 135AD open the way for Edom-Rome, the Edomites, to continue their domination of the earth as the Roman Empire which arose in 168BC.

**IDENTIFYING ESAU BY DIFFERENT NAMES**

YAHUAH gave Esau who is Edom a mark described in Scripture as the “red” people who later labeled themselves “white.” Therefore, the Scripture describes him, “But I have made Esau bare, I have uncovered his secret places, and he shall not be able to hide himself: his seed is spoiled, and his brethren, and his neighbors, and he is not” (Jeremiah 49:10). The mark that YAHUAH gave to Esau prevents him from hiding his shame, anger, his lies or the people he mixed with. However, Esau, who is Edom, has taken the mark that represents a curse and made it a sign of their superiority. In fact, Esau has used this curse to erase the identity and likeness of all historical characters and replace them with the likeness of themselves. Before the capabilities of DNA science, created by Esau who is Edom, they also claimed mankind to begin with them and implied that all people emanated from the descendants of Esau-Edom and are carriers of their genes. However, scientifically this is not possible as black cannot come from white.

In addition, Esau-Edom has used various schemes to avoid the truth of their identity from being revealed. They have accomplished this by relabeling and revising the history and changing the land borders on maps then replacing the people of many territories with the likeness of themselves. They have appropriated all significant accomplishments in history and attribute them to be done by the “white” man. For example, in the history of Nimrod, who was the grandson of Ham, the progenitor of the dark races, they depict Nimrod as a white man or, at least, the modern-day Middle Eastern white man. Through Esau’s deceptive morals, he has convinced the world that anyone of Nimrod’s stature and prominence could not be black because, according to their narrative, black skin was the curse of Ham. However, the “white” skin

of leprosy was the true curse. Esau, who is Edom, has turned everything around and upside down, in his attempt to reclaim Jacob's birthright and declare the superiority of white people. Scripture shows however, those who are ruling the earth today, to be the wicked and are in fact, foolish; "The earth is given into the hand of the wicked: he covereth the faces of the judges thereof; if not, where, and who is he" (Job 9:24)?

For hundreds of years, Esau, who is Edom, has been effective in deceiving the entire world with the lie they are the ones that have brought civilization to all nations on the earth. According to history written from Esau's perspective, they are the people who espouse truth, seek to bring peace on the earth, and are the protectors of all the earth's resources. But, the facts show that Esau-Edom has brought tyranny and death to people in every nation they have conquered. Esau, who is Edom, has been consistent and thorough in their use of the sword, the gun, exploitation, and the religions they have created to destroy the earth's inhabitants in particular the descendants of Jacob. Christianity, the religion of Esau-Edom preaches a message of 'love' in the name of their god, the beast that most of the world follows. The truth is that Esau and his descendants have lied about everything and have recast and renamed people and events to reflect Esau-Edom's identity. They have renamed themselves many times to avoid being detected. In fact, after the descendants of Esau moved out of Mount Seir to the Negev Valley south of Judaea, they changed their name from Edomites to the translated Greek form Idumeans, which later morphed into Herodians during the time of the Herods who ruled over the Judeans. They also identified as Nabateans, Arabians, Greeks, and Romans. From 600 to 700AD, history identifies a group of them as the Germanic peoples known as the Franks,

Lombardi, Vandals and later the Khazars. As they spread throughout the earth, they identified by the name of the land they settled and recognized their heritage as European.

Esau-Edom adopted the name European for the land mass to the north where the sons of Japheth, the original inhabitants, lived. They named the area after the Roman Goddess Europa now called Europe. The sons of Japheth, the original inhabitants of the land that fell to them by lot after the flood, have been whited out and replaced by the Edomites the descendants of Esau. Thus, history shows that whenever Esau conquered other lands, they took the name of the land they conquered and renamed the areas while continuing to identify as having European lineage. In their recent history, they claim the label Jews, appropriating the name of Judah, the fourth son of Jacob-Israel, to a segment of their descendants said to be converts of the religion of Judaism. And, they identify as the Khazar from the Caucas Mountains of Eastern Europe.

The Edomites changed the original names of the lands to hide the evidence that other people inhabited the territories before they settled in these areas. They now identify by these names that have been changed. The names include; German, Russian, Greek, Brazilian, Italian, Swiss, French, Canadian, Turks, British, Australian, South African, Columbian, Argentinian, and American. They are also the white Arabs, the white Assyrians, the white Jordanians, and the leaders of many other nations. Esau, who is Edom, is a diverse people because they have mixed with every nation and has control over the earth. In fact, they have used these name changes to obscure the identity of their blood ties to Esau who is Edom-Rome. This mingling with the other people has led those deceived to believe that the white leaders among them

are now a third race. However, they are all the descendants of Esau because they carry Esau-Edom's mark of having white skin which they use as a sign of their white power. The leaders of the nations have made the Negro people living in these lands to feel inferior and encouraged many of them that to improve their race it was necessary to mix with white people. And, although Esau-Edom is mixed with every nation the Edomites still insists they are an elite people of a pure Aryan race—a race with no mixture.

This clouding of Esau-Edom's identity has also made it possible for Esau who is Edom to deflect and blame the other nations for the wicked actions against the Chosen people of YAHUAH. For example, they use the evidence of Arabs persecuting Christians as proof that it is the Arabs that are the descendants of Esau. In fact, many Arabs seen today are not true Arabs because they mixed with Esau and are the white Edomite Arab. However, all Arabs did not mix with Esau but may have mixed with Arabs who mingled with Esau. There are Arabs, who are white, and some are different shades of brown and there are those who are still very black. In Scripture it was the Canaanites then the Ishmaelites who first mixed with the descendants of Esau. Biblical and secular history shows that the Arabs are the descendants of Ishmael and the six sons of Abraham he fathered with his wife Keturah after the death of Sarah. "And Ishmael and his sons, and the sons of Keturah and their sons, went together and dwelt from Paran to the entering of Babel in all the land toward the east facing the desert. And these mingled with each other, and they called their name Araviym (Arabs) and Yishmaeliym (Ishmael)" (Jubilees 20:12-13).

The oral and written history of the Arab people tells of these seven tribes that descended from Abraham and make-up the Arab people. In a

commentary on Isaiah in the Rabbinic writings, the writer stresses that Edom is perceived as coming from Rome, which extends pagan Rome. It continues that, Edom appears to have merged with Amalek, who claims to be hereditary Israel as Judeo-Christianity. The commentator further notes, that they should not forget that the enemy of the true Israelites is the grandson of Esau (Zepho), not Ishmael, which is the Arab world. It is Esau, who is Edom and Rome, who has tried to change history and the outcome of Prophecy by blaming the Arabs for the destabilization of the nations in the Middle East. Edom-Rome has done this to bring about events of their so-called “end” times. And, it is Edom-Rome who is guilty and has conspired with Edomite Arabs to engage in the tactics of undermining the nations that surround Palestine to support the false narrative that these Arab Muslims are the descendants of Esau who will cause Armageddon and bring about the destruction of the world. However, prophecy shows that it is Esau-Edom-Rome, the brother of Jacob who has had the dominion over the earth and Israel for at least two thousand years based on the Gregorian calendar, of Rome.

### IDENTIFYING ESAU IN PROPHECY

Esau is Edom-Rome who, in these ‘last’ days, has revived and revised the Roman Empire. This merged power has established a system of governing that extends the ancient Roman Empire. In this modern-day version of the ‘holy’ Roman Empire, now identified as the New World Order there exists three different nations that act as the head and form the leadership of this order. They are described as the ‘Trinity of Globalist Control’ and comprise three city states - the Vatican, London, and Washington, D.C. These city

states are believed not belong to any other nation, is self-ruled and pay no taxes. They have their own separate laws, own police, mayors, post offices, their own separate flags and their own identities (A Plaintruth Video).

They say the Vatican holds full authority over the religions of the world and assumes the role as the head of the Babylonian Mystery Religions. Its overall power is controlled by the Pope, who sits in Caesar's seat as King over both state and church. In 1306 Pope Boniface VIII and the Vatican congress confirmed this status when he declared the Pope to be the trustee of all of Jesus Christ's holdings on Earth including the reaping of all lands and souls. These trusts are still in place in our Western legal systems today. The city of London heads the world's finances and Washington D.C. controls the military arm of this revived Roman Empire. All three entities are separate states within their respective countries and are independent. Therefore, they act without the consent of the people. They all operate under Roman law known as "Lex Fori." And, the goal of these three system administrators is to operate as a one-world government under Papal Rome, with the United Nations, which is symbolic of the ten toes of the dream of Nebuchadnezzar. In fact, they have established this one-world government for centuries ruling the earth under the order of Edom-Rome and have hidden the truth from the unsuspecting citizens of the world. Papal Rome's narrative that they are now planning for a one world government with a leader, who rules as king, is in fact, not true as they have always been over the nations. In fact, the United Nations is just another organization in this beast system. Rome has never given up its power and authority as king and Pontifex Maximus although they have led the world to believe they only took control again in the 17th century.

The prophet Ezra saw this outcome in a dream he recorded in 2 Esdras 11: 1-2, "Then saw I a dream, and, behold, there came up from the sea an eagle which had twelve feathered wings and three heads. And I saw, and, behold she spread her wings over all the earth, and all the winds of the air blew on her, and were gathered together." Together, these three states make up the Revised Papal Roman Empire known as the fourth Beast of Daniel and the Revelations prophesied to be ruling at the end of this age. Daniel's vision confirms the events that would take place during Edom-Rome's rule, "and of the ten horns that were in his head, and of the other which came up, and before whom three fell; even of that horn that had eyes, and a mouth that spake very great things, whose look was more stout than his fellows I beheld, and the same horn made war with the saints, (Israel) and prevailed against them; until the ancient of days came, and judgment was given to the saints of the Highest, and the time came that the saints possessed the kingdom. Thus, he said, the fourth beast shall be the fourth kingdom upon the earth, which shall be diverse from all kingdoms, and shall devour the whole earth, and shall tread it down, and break it in pieces," (Daniel 7:20-23). After this time, Jacob-Israel will begin their rulership. "For Esau is the end of the world, and Jacob is the beginning of it that followeth," (2 Esdras 6:9).

Edom-Rome has ruled the earth with deception and an iron fist to ensure their continued dominance over the nations. They have instilled much fear in the nations through intimidation and with deceitful treaties of peace. They have ruled by the sword and false religions. This system has influence over the earth with a strict authority that governs all the important resources needed to survive in their kingdom; having power over the water to drink and

the places you can migrate to. They have gained the wealth of the entire earth by the sword and will use the sword to protect what they have acquired. The modern-day Edomites Roman Empire is still willing to kill, steal, and destroy using deception while boasting about its success and powerful weaponry. In fact, the defense arm of this kingdom, in a report delivered at the Pentagon by General Franklin Blaisdell, a former director of Space Operations and Integration speaking about the Asian region regarding China's rise and an attempt to intimidate them proclaimed;

I pity a country that will come up against us. The synergy with air land and sea forces and our ability to control the battle space and seize the high ground are devastating. All countries respect the power of the United States and respect how dominant we are in this region, and we get better and better and better!"<sup>14</sup>

This is no singular threat made to China alone, but to any nation that Edom-Rome considers a danger to them by stepping out of line of the agreed power system. Edom-Rome has used their dominance to keep the larger and not so large nations in fear because of their willingness to engage in war. In fact, Margret Thatcher, the former Prime Minister of Great Britain concurs that the story of how the Europeans explored and colonized, without apology, and civilized much of the world is an extraordinary tale of talent, skill and courage. This statement confirms that Edom-Rome knows they are the fourth beast power of Daniel's vision and they are aware that all the nations in power today have allied with them if outside foreign forces come against them. They are all part of the system that is against the nation of true Israel rising and ruling. Therefore, they pretend to accumulate weapons of mass destruction against each other when in fact, the war they are preparing to

defend against is YAHUSHA, the Lion of the Tribe of Judah. There is no other nation that will fight against Edom-Rome because they are all a part of the one Beast system ruling the entire earth. As President Ronald Reagan stated in a speech to the United Nations General Assembly, "Perhaps we need some outside universal threat to make us recognized this common bond." He continued that the differences would vanish if faced with an alien threat from outside this world. They are indeed waiting for a threat from space that will unite them in their common goal, and they know that the only threat from outside our closed system is YAHUAH. Even though China has risen to become the second largest economic power next to America, they are still no threat because China needs Esau-Edom as they need China.

The nations of the earth have all joined in the conspiracy against the only nation that holds a threat over them, and that nation is Israel, the true descendants of Jacob. They hope to prevent Israel from rising and ever ruling again. Psalms 83:2 reveals what they have done, "They have taken crafty counsel against thy people, and consulted against thy hidden ones." The scripture also names the nations who have joined Edom in this conspiracy, "For they have consulted together with one consent: they are confederate against thee: The tabernacles of Edom, and the Ishmaelites; of Moab, and the Hagarenes: Gebal, and Ammon, and Amalek; the Philistines with the inhabitants of Tyre; Assyria also is joined with them: they have helped the children of Lot" (Psalm 83:5-8). These nations are still identifiable today, although they have tried to hide behind new names and new land borders to obscure their identities. For example, they made in the borders of the Hittite Empire now call Turkey, and the area known as the Phoenician Empire or

Carthage shown as a smaller nation called Libya. The rulers of this system have denied their actions and have instituted a culture of ridicule and mockery of anyone who may suggest there is a conspiracy and identify the co-conspirators. However, their denials will not deter the inevitable from happening, when the Most High YAHUAH returns and gathers his chosen ones.

So, in Esau-Edom's quest to keep the identity of Israel hidden they have covered

their own identity and have gone to great lengths to discredit the Hebrew Scriptures as it relates to the covenant YAHUAH made with Israel. In fact, they would prefer to believe the etchings they find on rocks before they admit that the Hebrew Scriptures show the true history of the Earth.

## PROPHECY PREDICTIONS FOR EDOM-ROME

There are many prophecies that reference what will happen to Esau who is Edom because of their wickedness. In the books of Daniel and Revelation there appears two prophecies that predict and confirm the role the Edomites and the Roman Empire will play as the fourth beast power. YAHUAH ELOHIYM has allowed Edom-Rome rulership over the earth for a certain period and based on prophecy their reign will end at the return of the HAMASHIACH and the coming Kingdom of YAHUAH.

The book of Daniel records an account of Nebuchadnezzar, the King of Babylon's dream. During the time the Judeans were in Babylonian captivity

the king had a dream he could not recall and invited his magicians and soothsayers to not only interpret the dream but also reveal what the dream was because he knew the dream was consequential, but he could not remember it. However, none of these men could figure out the dream so he ordered Arioch to put them all to death. Arioch, the captain of the king's guard, told Daniel about the king's order and Daniel asked to see the king. He told King Nebuchadnezzar that he would seek the Most High, YAHUAH, to interpret his dream and reminded him that the wise men, astrologers, and magicians could not tell him the dream or know what it meant as only the Highest, YAHUAH, in heaven, could reveal and tell the secrets like he saw in his dream. Daniel, after seeking the answer in prayer and receiving the interpretation, told the king what he saw in his dream and what it meant, "Thou, O king, sawest, and behold a great image. This great image, whose brightness was excellent, stood before thee; and the form thereof was terrible. This image's head was of gold, his breast and his arms of silver, his belly and his thigh of brass, his legs of iron, his feet part of iron and part of clay. Thou sawest till that a stone was cut out without hands, which smote the image upon his feet that were of iron and clay and break them to pieces" (Daniel 2:31-34).

Daniel then explained to the King what his dream meant. "But there is a God in heaven that revealeth secrets, and maketh known to the king Nebuchadnezzar what shall be in the latter days. Thy dream and the visions of thy head upon thy bed are these" (Daniel 2:28). In his explanation, Daniel described that the statue represented four kingdoms that would rule the Earth. Nebuchadnezzar's kingdom was the first, represented by the head of gold which showed their superiority. The Persian rule would follow, Greece would

come next and the final empire would be Rome, who would have rulership at the time when the HAMASHIACH returns to set up the Kingdom of YAHUAH. And, according to Legends of the Jews (Vol. 3, pg. 167), “God will call out to the Messiah: Roar at this monster that devours the fat of the nations, that justifies being a descendant of Abraham by his grandson Esau, the nation that kept Israel back from the study of the Torah, and tempted them to deeds that are in accord with the wishes of Satan.”

The feet of this statute symbolized this final ruling kingdom represented by the iron and clay. The iron implied the kingdom of Edom-Rome and the clay signified Israel, the saints of the Most High. Edom-Rome has tried to mix with Israel and, in fact, replace Israel as history has shown down through the ages. However, these two groups of people could never mix. The ten toes represented ten kingdoms that would also try to unite but because of the iron and clay they will not cleave to one another as iron does not mix with clay, “And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay.” (Daniel 2:43). Prophecy shows the descendants of Esau-Edom represented by these ten kingdoms will continue to assert control over Israel until the HAMASHIACH returns; they are all part of the Roman Empire as the former Prime Minister of Great Britain Margret Thatcher admits a partial truth in a speech, “I want to start by disposing of some myths about my country Britain. We British are as much heirs to the legacy of European culture as any other nation. Our links to the rest of Europe, the continent of Europe, have been the dominant factor in our history. For three hundred years, we were part of the Roman Empire and our maps still trace the straight lines of the roads the Romans built.” It is

only part of the truth because the people who call themselves British are all Edom-Rome and descendants of Esau who conquered the British Isles which was first inhabited by the descendants of Jacob. The HAMASHIACH will return during the times of Edom-Rome's rule "And in the days of these kings shall the God of heaven set up a kingdom which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand forever." (Daniel 2:44).

The stone that appeared, while being cut without hands, would come and smite the feet, breaking it into fragments. The stone characterizes the Kingdom of the Most High the final kingdom to come on the earth where Israel with the HAMASHIACH will rule. Both Biblical and secular histories confirm that these four Empires existed and ruled during the time recorded on the statute. However, Edom-Rome, the fourth power still ruling today, has tried to distort the truth by claiming that the Roman Empire ended in 476AD and the Revived Roman Empire did not resume until 800AD by some historians' accounts and others claim even a later time. The subsequent period they called the dark ages, when they claim people had regressed in their way of living. But evidence shows this did not happen and Edom-Rome added this version to obscure the identity of Esau who is Edom-Rome. All the same, YAHUAH is revealing with historical evidence who they are as we draw nearer to the end of this age. The most ancient Midrashic proof found in the Meghila of Rabbi Ishmael attached to the verse from Genesis that introduced the time YAHUAH appears to Abram (Abraham) shows ( "as the sun was going down, a torpor fell upon Abram and behold, a great terror seized him," C. 15:12): "Frightening" describes the Babylonian empire, "chaos," describes the Median empire, which will bring Israel to "desolation," great is the Greek

empire which will lead Israel into ‘darkness,’ “fell” this is the fourth empire, Rome describes ‘the abyss’ in which it will fall and is found guilty of destroying Israel.<sup>15</sup> Edom-Rome is the fourth and final beast supremacy on the earth and their rule began in 168AD. There are no gaps in history although they have tried to insert evidence into the narrative that will support that claim.

The revelation that John wrote and YAHUAH gave to YAHUSHA to show to his servants what would happen during the “end-times” also reveals this fourth beast power when the seals opened. “And when he had opened the fourth seal, I heard the voice of the fourth beast say, come and see. And I looked and behold a pale horse: and the name that sat on him was Death, and Hell followed with him. And YAHUAH gave power unto them over the fourth part of the earth, to kill with the sword, and with hunger, and with death, and with the beasts of the earth.” (Revelation 6:7-8). The descendants of Edom-Rome, the fourth beast power, have been faithful in committing severe atrocities against the Hebrew Israelites as stated in this prophecy. Despite their claim of having the power and authority to destroy the entire earth, YAHUAH has only given them power over one fourth of the earth. According to Edom-Rome’s historical timeline, they have been ruling and carrying out this destruction for over two thousand years, “And the fourth came, and overcame all the beasts that were past, and had power over the world with great fearfulness, and over the whole compass of the earth with much oppression; and so long time dwelt he upon the earth with deceit.” (2 Esdras 11:40).

When the fifth seal was opened it showed those of Israel killed by the sword, famine and the beast. These that were martyred called for the Most

High YAHUAH to come and avenge their blood, “And when he had opened the fifth seal, I saw under the altar the souls of them that were slain for the word of YAHUAH, and for the testimony which they held: and they cried with a loud voice, saying, How long, O YAHUAH, holy and true, dost thou not judge and avenge our blood on them that dwell on the earth” (Revelation 6:9-10)? History shows that the Edomite-Roman Empire has ruled the earth since 168BC to this present day. In fact, they ruled as the Pagan Roman Empire then transitioned into the revived and revised Papal Roman Empire in 325AD after the Council of Nicaea. Edom-Rome, as Papal Rome, continues as the Roman Empire and the Popes occupy Caesar’s seat. The Pope keeps the title “King” and Pontifex Maximus, which means Caesar’s successor, with the title Vicar of Christ, which means he sits as the substitute of Christ. It was Pope Pius V who confirmed this belief in a statement; he asserted the Pope and God are the same. The Papal Roman Empire also teaches and believes it replaces the Most High, YAHUAH’S presence on the earth. But the prophecy declares that Israel will remove them and take their rightful place, “These great beasts, which are four, are four kings, who shall arise out of the earth. But the saints of the Most High shall take the kingdom, and possess the kingdom forever, even forever and ever.” (Daniel 7:17-18).

There, you will find additional information about the author and more about Israel's history. I also post my reflections and poetry on a biweekly schedule. I have also added videos and a slide show of paintings and portraits of people from what they call ancient European history. Because the book is written for educational purposes, it is also free for download from my website. Shortly, the book will be available in several different languages.

**Thanks and Happy Reading!**
